ASSIGNMENT

WHEREAS, Diatek, Inc. (hereinafter "Assignor"), a corporation organized under the laws of North Carolina, having a place of business at 101 North Chestnut St., Suite 300, Winston Salem, North Carolina, 27101, is the owner by assignment of the entire right, title and interest in and to new and useful improvements in the field of catheters, for which applications (identified Schedule "A", attached hereto and made a part hereof) for international and United States Letters Patent have been filed, and

WHEREAS, Arrow International, Inc. (hereinafter "the Assignee"), a corporation organized under the laws of the Commonwealth of Pennsylvania, having a place of business at 2400 Bernville Road, Reading, PA 19605, is desirous of acquiring the entire right, title and interest in and to said applications and the inventions described therein, and each and every patent that can be issued on said applications and on said inventions in the United States of America and in its territories and possessions, and in all countries foreign to the United States of America;

NOW, THEREFORE, TO ALL WHOM IT MAY CONCERN, be it known that for and in consideration of One Dollar (\$1.00), in hand paid, and other good and valuable consideration, the receipt of which is hereby acknowledged, the Assignor has sold, assigned and transferred, and by these presents does hereby sell, assign and transfer unto the Assignee the full and exclusive right, title and interest in and to the aforesaid applications, the aforesaid inventions, and each and every patent that may be issued on the aforesaid inventions and applications in the United States of America, and in its territories and possessions and also in all countries foreign to the United States of America, the same to be held and enjoyed by the Assignee for its own use and benefit,

and for the use and benefit of its successors, assigns or other legal representatives to the end of the term or terms for which a patent or patents may be granted as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made.

Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks to issue any and all Letters Patent on the aforesaid inventions or resulting from the aforesaid applications directly to the Assignee.

Assignor hereby authorizes the Assignee and its successors to apply for a patent or patents directly in its own name upon the aforesaid inventions wherever the same is permitted by law, and also assign, sell, transfer and set over unto the Assignee and its successors all priority rights under the aforesaid applications.

Assignor further covenants to execute all additional instruments and to do all things necessary to carry out the purpose of this instrument, at the expense of the Assignee and its successors.

IN WITNESS WHEREOF, Assignor has by its duly authorized officer signed this Assignment, effective as of the 25th day of November, 2002.
